“Adecco Singapore Again Placed Highly In The ‘Human Resources’ HR Vendors Of The Year Awards”

Singapore, 6th January 2012: Adecco, Singapore’s leading provider of human resource solutions, has again been placed highly in Singapore’s leading HR awards - the ‘Human Resources’ HR Vendors of The Year Awards for 2011.

‘Human Resources’ magazine - the leading specialist human resources publication that provides authoritative news and content for Singapore’s HR community, annually surveys human resource professionals in Singapore to understand their preferences and to see which solutions providers stand out.

Adecco Singapore was recognised in the following award categories:

3rd Place: Preferred Recruitment Firms - Low End Roles

5th Place: Preferred Recruitment Firms - Mid Range Roles

10th Place Preferred Recruitment Firms - High End Roles

4th Place: Preferred HR Outsourcing Consultants

3rd Place – Lee Hecht Harrison - Preferred Outplacement Firms (Lee Hecht Harrison is a wholly owned subsidiary of The Adecco Group)

The awards, which were conducted on-line in Q4 2011 by an independent research organisation, are a leading indicator of professionalism and service quality within the staffing and HR sector. In order to avoid biased results, survey participants are not prompted to give answers during the nomination process. 1331 individuals responded to the award nominations survey.

Lynne Ng, Regional Director for Adecco SEA, commented 'Adecco is not in the business of winning awards – we are in the business of providing HR solutions to organisations in Singapore. However, it's always pleasing for our recruitment and back-office teams to be applauded for what they do day-in-day-out'.
